April 30, 2017

Dear Glendale Chamber Members and Friends:

The **Glendale Chamber of Commerce** is delighted to invite you to *the* premiere event of the year – **a Night of Magic** – our 2017 Gala to be held on Friday, June 23, at The Plaza at 801 N. Brand Blvd., where you will enjoy the excitement of Music and Magic under the stars.

The Walt Disney Company is the title sponsor of this elegant affair, so you know it will be a night to remember. Awaiting you is a moonlit night accented with elegant décor, delectable cuisine, amazing entertainment, and a spectacular silent auction. Plus, we will unveil the Chamber's 2017-18 Officers and Board of Directors, led by Incoming Chair of the Board, Greg Tan. With all of this excitement waiting, you will not want to miss this event!

As you review the enclosed forms, you will note various sponsorship levels in which you can recognize our volunteer leaders and the good work of the Chamber and put your company "on the red carpet" at this important community and celebratory event.

And speaking of *you*, there is something special *you* can do at this event to bring extra visibility and marketing results to your company, business or organization. We invite you to participate by contributing an item or service to our auction, with a minimum value of \$200.

In return for your generosity, we will acknowledge your donation in the Gala Program, distributed to 300 plus guests, in the Chamber's *Glendale Business* e-newsletter (delivered to 1,200 member businesses), and on various social media. You may also display brochures or other promotional materials alongside your auction donation.

Each year we are so impressed and delighted with the generous contributions given towards this event. We hope you will plan to attend the 2017 Gala – A Night of Magic. First and foremost, you will have a spectacular time! And, if you wish to contribute to our auction, certainly that will be a plus – it will benefit the Chamber and the many programs for our members. Please complete the enclosed auction donation form to ensure that your company is properly recognized. Don't hesitate to call the Auction Committee at 818-240-7870 if you require additional information.

Thank you for your time and consideration.

Sincerely,

Kathy A. Simons (formerly McClure)
