I. Why We Need Healthcare Reform

Presented by The Camden Group - With offices across the country, The Camden Group is one of the nation's leading healthcare business advisory firms. The firm provides a broad array of healthcare consulting services such as strategic and business planning; mergers, acquisitions, and other transactions; financial advisory; physician-hospital alignment; clinical integration; and developing accountable care organizations.

II. Employers – What You Need to Know & Do

Presented by Arthur J. Gallagher & Co. - As one of the world's leading insurance brokers and risk management service providers, Arthur J. Gallagher & Co. delivers a full range of retail and wholesale property/casualty, employee benefits and HR consulting products and services, as well as claims management, loss control and investigative services, to clients of all sizes across North America and around the world.

III. What's Next? The Medical Community's Plans

Panel Discussion with Local Hospitals & Physician Leaders - Representatives from Glendale Adventist Medical Center, Glendale Memorial Hospital, Verdugo Hills Hospital/USC and the medical community will inform participants how they are collaborating and what is being done to make Glendale and its local communities healthier. Questions from participants will be welcome.
