Dear Glendale Chamber Members and Friends:

The **Glendale Chamber of Commerce** is delighted to invite you to *the* premiere event of the year – **The Great Gatsby** – our 2019 Gala to be held on Friday, June 28, 2019 at Chevy Chase Country Club, 3067 E. Chevy Chase Dr., where you will enjoy the excitement of a 1920's Great Gatsby-style party with all the trimmings.

The Walt Disney Company is the title sponsor of this elegant affair, so you know it will be a night to remember. Awaiting you is a moonlit night with the summer sounds and sights of the 1920's, accented with elegant décor, delectable cuisine, entertainment, and a fun silent auction. Plus, we will unveil the Chamber's 2019-20 Officers and Board of Directors, led by Incoming Chair of the Board, Alex Bruno. You will not want to miss all the excitement!

As you review the enclosed forms, you will notice various sponsorship levels in which you can recognize our volunteer leaders and the good work of the Chamber and put your company in the spotlight at this important community and celebratory event.

And there is something special you can do at this event to bring extra visibility and marketing results to your company, business or organization. We invite you to participate by contributing an item or service to our auction, with a minimum value of \$200.

In return for your generosity, we will acknowledge your donation in the Gala Program, distributed to 300 plus guests, in the Chamber's *Glendale Business* digital newsletter (delivered to over 2,000 member businesses and subscribers), and on various social media platforms. You may also display brochures or other promotional materials alongside your auction donation.

Each year we are impressed and delighted with the generous contributions given towards this event. We hope you will plan to attend the 2019 Gala – The Great Gatsby. First and foremost, you will have a fabulous time! And, if you wish to contribute to our auction, certainly that will be a plus – it will benefit the Chamber and the many programs for our members. Please complete the enclosed auction donation form to ensure that your company is properly recognized. Don't hesitate to call the Auction Committee at 818-240-7870 if you require additional information.

Thank you for your time and consideration.

Sincerely,

Maria Wayne King
