Get Your Company Recognition: Donate an Opportunity Prize

Explore further opportunities to help promote your business!

Take advantage of the opportunity to get your business name out there by donating an item such as a gift certificate, gift basket, small-electronic devices, etc., for our Mixer Opportunity Drawing.

By donating, it creates a chance for your business to be recognized and represented among members and guests in attendance at our mixer.

Our goal at the Chamber is to maximize exposure of your business by any means possible; so, your donation will give us another chance to do just that. Your generosity will be greatly appreciated by Chamber and community members who win your awesome-donation prizes!

A sign with your company name/logo will be displayed in front of your donation item to receive full recognition.

For more information, please reach out to the Chamber at events@glendalechamber.com or call 818-240-7870!
